## PA-31 Syllable Elision with Pictures

Blackline Master available  
[www.tpri.org](http://www.tpri.org)

Students practice saying one syllable of a two-syllable word.

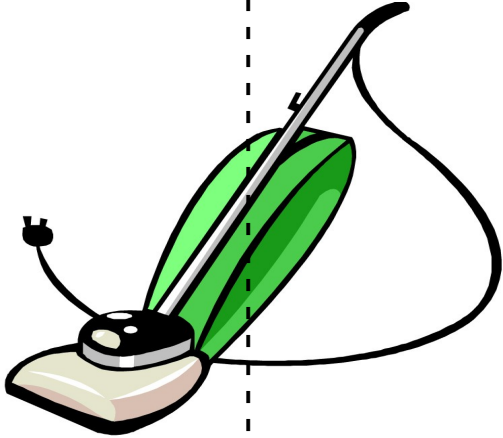

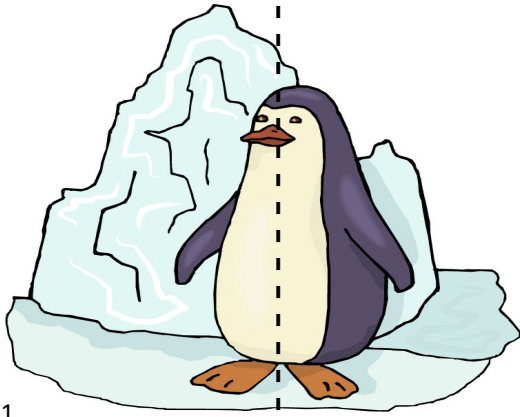

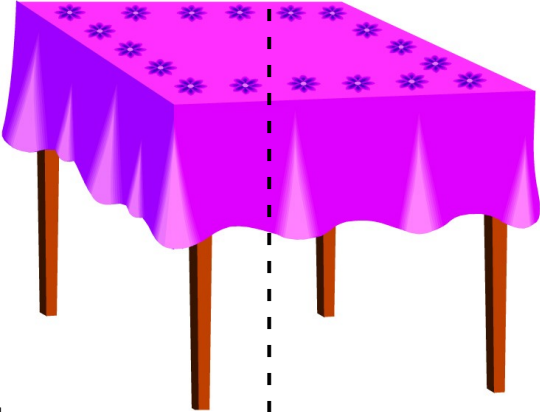

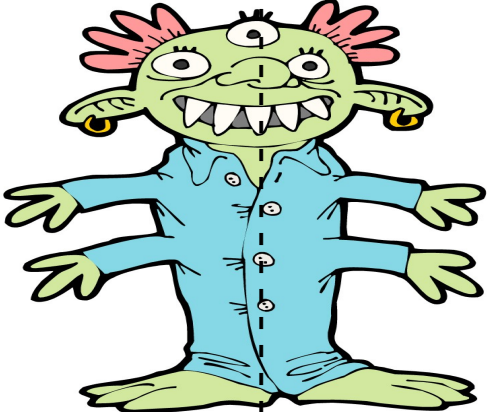

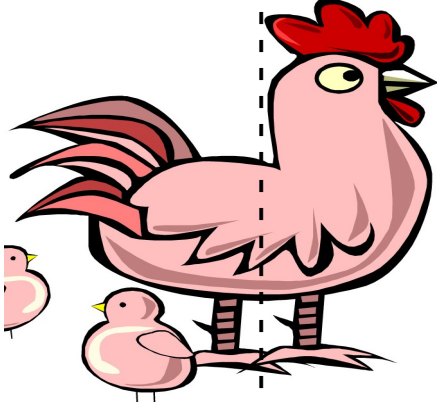

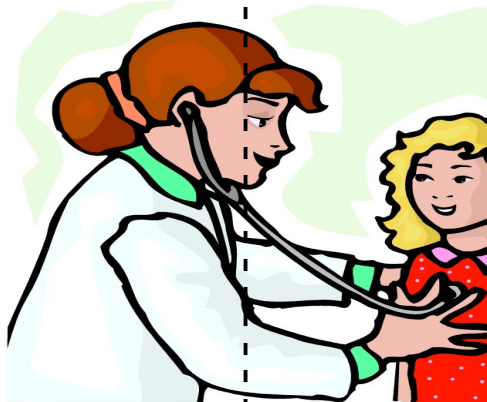

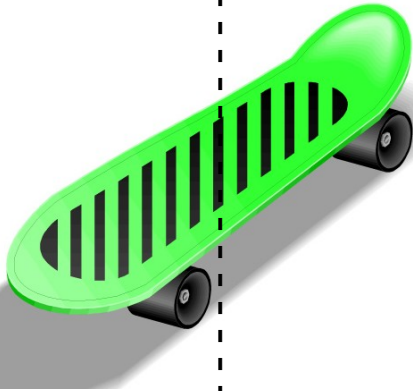

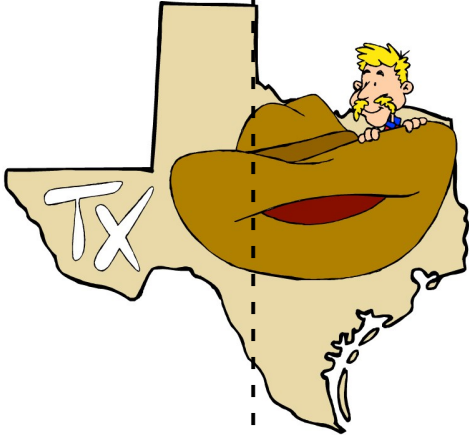

**MATERIALS:** *Pictures, scissors*

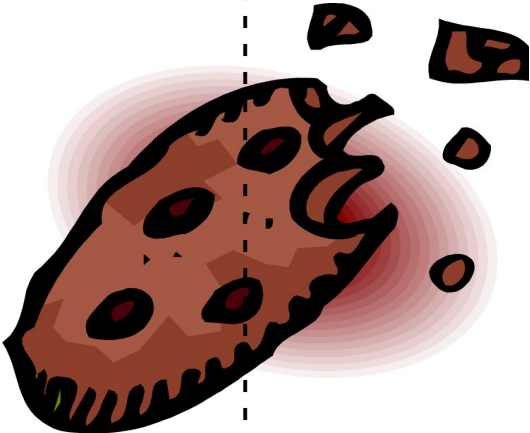

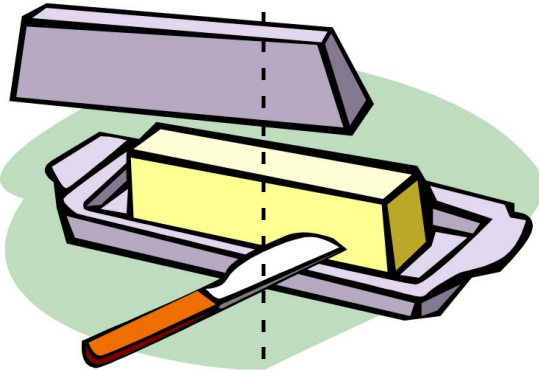

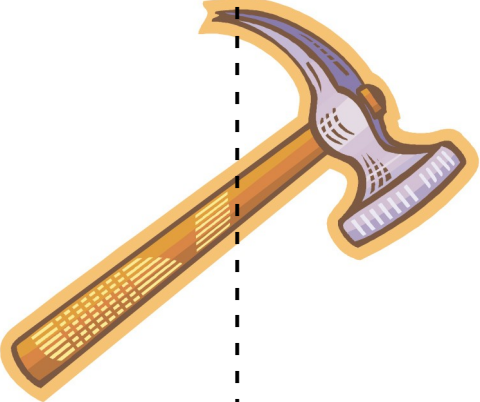

- 1 Select pictures of two-syllable words and cut each in half vertically.
- 2 Place the two pieces of one picture face up on a table.
- 3 Say the word (e.g., **tiger**), then pick up the picture's left piece while saying only the first syllable (e.g., **tie**).
- 4 One at a time, call on students to complete the same steps with the remaining pictures.
- 5 If the student correctly says only the first syllable, they keep the picture.
- 6 Once all pictures are picked up, students count how many they collected.

**PREPARATION OF MATERIALS:** Print two copies of the picture cards. Cut one set of picture cards apart. Use one set for play and the other set as a master to help keep track of the pieces. Follow the directions for play.
