

# TEXAS REGIONAL THINK CHALLENGE

2016

## PARTICIPANTS

All Texas schools and classes that currently participating in the TTM program will automatically be entered to represent their educational Region in the contest.

## STATE SCORING

This contest will determine the **TOP Texas Education Region** in **Think Through Math**. Each participating Educational Region will work together to receive a weekly Regional Score\* based on the following schedule:

**WEEK 1:** Average Completed Lessons + Average Passed Lessons  
+ Total THINK Points donated to the Texas American Red Cross

**WEEK 2:** Average Passed Lessons + Average Time on System  
+ Total THINK Points donated to the Texas American Red Cross

**WEEK 3:** Average Passed Lessons + Average Math Helps  
+ Total THINK Points donated to the Texas American Red Cross

**WEEK 4:** Average Passed Lessons + Average Time on System  
+ Average Math Helps + Total THINK Points donated to the Texas American Red Cross

## DATE & TIME

**START** Monday, October 3<sup>rd</sup>  
@ 12:01 AM

**END** Friday, October 28<sup>th</sup>  
@ 11:59 PM

\*All times local

# 100

*A Century of Service*

**American  
Red Cross**

\* The weekly TTM Educational Regional Score is cumulative for the contest duration. The winning Educational Region will be determined by the grand total TTM Regional Score for each week.

# AWARDS & RECOGNITION

The Texas Regional THINK Challenge Award will be presented to the **TOP EDUCATIONAL REGIONAL CENTER** based on the total Region Score at the duration the contest. Winners will receive The Texas Regional THINK Challenge trophy and banner, as well as year of bragging rights!

## REGIONAL AWARD

The top school in each competing region (20 in total) with the highest **PASS Rate Percentage** and **Time on System** will be awarded a **\$100 VISA GIFT CARD** and a Texas Regional THINK Challenge Banner to hang with pride!

\* Region must have at least **250 active students** to be eligible for the district award.

## CLASSROOM AWARDS

**MOST VALUABLE THINKERS:** All classes that average **10+** lessons passed will be entered into a random drawing for one of ten **\$50 PIZZA E-GIFT CARDS!**

**GURUS OF GIVING:** Top 10 Texas classes that donate the most THINK Points to the Texas American Red Cross charity will be awarded a \$50 Pizza e-Gift card for their generous giving.

\* Classroom must have at least **8 active students** to be eligible for the classroom award.

## GROUNDWORK FOR DISQUALIFICATION

Students and/or Teachers found to be engaging in any sort of activity designed to circumvent the normal process of using **Think Through Math** may be disqualified from the contest. This includes, but is not limited to:

- Continually re-enrolling in coursework far below students' ability level
- Students may only be re-enrolled in the same pathway twice during the contest period
- Cheating the program in an attempt to earn more points than possible by the normal process of TTM
- Moving individual or groups of students from multiple classes into a newly formed class solely for the purpose of competing in the contest
